Business Overview

Our mission is to become the hub for international resource mobility

Fourth Valley Concierge is not aiming to become the No.1 recruiting company. We are a global consulting company with the mission to build the barrier less hub for global talent. Our goal is to help companies that would like to bring a world of globalization into a reality.

Our rich network of top global talents of students and alumni comes from our relationships with more than 700 high-ranking universities around the world (as of May 2012) as well as the trust from talents we have been involved in. We offer variety of solutions for various challenges faced by companies during their course of globalization to do the borderless business and open new markets for them. Our services cover recruitment strategies, coping with diversity, continuous education, marketing research, promotion, sales, and entering into different country market, etc.
